## Mornington Side Chair with Oak Seat

A marvel of craftsmanship, the Mornington Collection's apparent simplicity belies the complexity of its design. The light visual presence of its open framework is counterbalanced by the strength of its stance. The coordinating Stacking Chair, Dining Chair, Bar Stool and Counter Stool work together or individually in a variety of settings. The easily maintained, rust-proof aluminium frames can be paired with matching aluminium seats and removable seat cushions or oak seats.
